

## YONKERS SCHOOL LIBRARY SYSTEM MEMBER PLAN

\_\_\_\_\_ **Building**

\_\_\_\_\_ **District**

\_\_\_\_\_ **Library Media Specialist**

Section 90.18 of the Regulations of the Commissioner of Education pursuant to Sections 207, 282, 283 and 284 of the Education Law relating to school library systems as amended by the Board of Regents in April 1995 states: At least once during the five year period of each Plan of Service, each school district and non-public, and in New York City each Community School District and High School District, shall file with the system a plan which shows how district and building library and media resources and programs meet the needs of students and teachers and describes the way in which it proposes to make effective use of the system.

Such plan shall include:

- (i) a description of existing library resources, in a format established by the school library;
- (ii) procedures for prompt and efficient communication among school library media specialists and reporting to other members of the school community regarding system policies;
- (iii) provisions for periodic reporting, at least annually, to the governing body of the school district or non-public school and the administration, regarding participation of the member in system services;
- (iv) assurance by the member and its participants that adequate qualified staff available to organize and administer the library media program and fulfill system responsibilities.
