

September, 2016

Dear Parent or Guardian,

Welcome to Pre-K at the Cornell Academy!

My name is Hope Davis and I am excited about the opportunity to teach your child this school year! Entering pre-kindergarten is a big step in life. It is an adventure for your child as well as for your entire family. I want this pre-k experience to be enjoyable and successful in every way!

Ensuring that your child is ready for school will not occur automatically. Educating your child must be a collaborative effort between you and I. If we work together, your child will be prepared for success in kindergarten and beyond.

You can help develop the skills and characteristics your child will need by working with him or her at home. Following are just a few sample activities you can share with your child:

- ✓ Read with your child every day. Encourage him/her to read along with you and retell the stories.
- ✓ Talk about connections between your child's personal experiences and events and objects in books you read.
- ✓ Visit your child's classroom and school often.
- ✓ Take your child to the local library regularly.
- ✓ Encourage your child to retell experiences and describe ideas and events that are important to him/her.
- ✓ Encourage your child to scribble, draw, and print. Keep markers, crayons, pencils, and paper on hand.
- ✓ Play with your child. Talk about what they are doing. Count and use numbers as you play together.
- ✓ Take advantage of every opportunity to count.

It is important that we ensure that your child will begin the next grade with the knowledge, skills, and behaviors needed to succeed in school.

Please feel free to contact me if I may further assist you in any way.

Attached is my class supply list. I look forward to meeting you and teaching your child this school year. Thank you.

Sincerely,

Hope L. Davis
