

COVID AT HOME TESTING KITS

Yonkers Public Schools and Saunders Trades & Technical High School are distributing at home COVID tests to all students.

Each student will be given one test box, each box contains two tests.

In an effort to efficiently and effectively manage our student and staff safety, we ask that all students follow the following procedures in taking and reporting their at home COVID tests:

1. TAKING THE TEST

a. Review this "how to" video tutorial.
