Pulaski Family,

As the cold weather is upon us, it would be great if we could come together to donate some much needed items to the **SPCA Westchester**. They house many shelter animals that really need homes and warm items during the winter time. I adopted my dog from the SPCA nine years ago on a cold December day and I know any help that you could give would be greatly appreciated. It would be wonderful if you could donate any of the following items below.

The top items (listed below in bold) are the items they need the most. They also have an Amazon link which is located on their web site's wish list if you prefer to send an item listed below directly to SPCA of Westchester. The link for the Wish List is: <http://www.sPCA914.org/donate/wish-list>. Click on the word Wishlist (in yellow). If you add your name and mailing address in the message box, they will send you a thank you as well as a tax receipt☺
