These supplies are very important for the success of our students. The notebooks should be neat and organized at all times and the notebooks and the pocket folder-dividers help keep students organized.

Students should also ALWAYS come to school with a pencil. Students cannot take part in class without them and they will not be supplied by the school.

Folders are important to keep work in as well as special projects and writing that is ongoing. Some folders will be kept in the classroom at all times.

The colored pencils will also be used for special monthly projects such as bulletin board projects, in-school reports, graphic organizers, books/booklets, and social studies projects.

Thank you, parents, for the facial tissues and paper towels. Allergies are prevalent among our students and the need for facial tissues is great. Thank you also for the paper towels. They are a necessity in cleaning up water bottle spills. And thank you in advance for the disinfectant wipes. We use these to periodically clean and disinfect the room.

**THESE SUPPLIES ARE DUE ON MONDAY, SEPTEMBER 9<sup>TH</sup>**
