

Join the Junior Docent Program

"My mentors in the Program taught me how to maximize my potential and develop the confidence necessary to engage with my community through public family-oriented workshops and tour preparation."

—Aanya Soman, Alumna, Class of 2023, SUNY Buffalo, Class of 2027

Junior Docents are high school students just like you who train to work as museum tour guides, workshop facilitators, and ambassadors for the Hudson River Museum. In addition to working with visitors of all ages, you will have the opportunity to visit other museums, meet with teens in programs around Westchester County and New York City, and prepare for college through our College Readiness Series.

The HRM is the only cultural institution that offers art, science, *and* history in Westchester County, but the interests of our Junior Docents extend well beyond those subjects. This unique program is an opportunity for students who are eager to work in a museum setting, and to become leaders in their schools and communities. The application is now open to freshmen and sophomores in Yonkers Public High Schools. Apply today!

Applications are due by **Wednesday, October 11, at 8pm.**
