## *Principal's Message*

Dear Gorton Family,

I hope this message finds you all well and thriving as we continue to move forward with great momentum into this exciting school year. First and foremost, I want to extend a heartfelt thank you to our incredible teachers, staff, and students for their dedication, collaboration, and energy that made our Centennial Assembly such an amazing success! It was truly a special moment to celebrate our 100-year legacy as a community. We made history together, and this event couldn't have been possible without your collective effort and passion.

We also had the pleasure of celebrating our rich, diverse community during Hispanic Heritage Spirit Week. It was a joy to experience the culture, pride, and heritage that our students brought to life through vibrant activities, performances, and school spirit. This is the type of unity and celebration that makes Gorton such a special place to be.

In addition to our cultural celebrations, I'm proud to highlight the impressive success of our sports teams. Our volleyball team continues to demonstrate perseverance and skill on the court, while both our boys' and girls' soccer teams have made us proud with their outstanding performances. Their hard work and sportsmanship are truly reflective of the Gorton Wolf spirit!

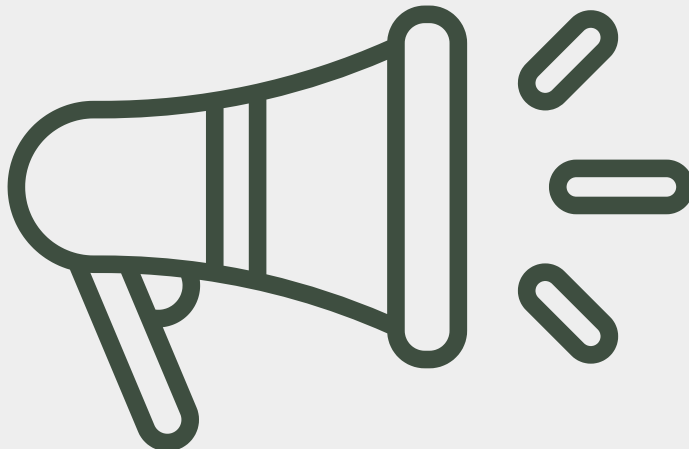

As we look ahead, our focus remains steadfast on our goals to provide exceptional academic opportunities for our students. We are committed to dynamic instruction, inspiring curiosity, creativity, and equity. I am excited to see our continued growth in academics, athletics, and community involvement.

Thank you once again for your unwavering support in helping us create a thriving and enriching environment for our students. Together, we will continue to make Charles E. Gorton High School a place where every student has the opportunity to succeed.

With gratitude,  
Principal Jamie Morales
