

# Ms. Castagna's 8:1:2 Kindergarten and First Grade Class

Ms Castagna's 8:1:2 K/1 class has been working hard on fine motor skills, following multi step directions using visuals, and building sentences using writing or pictures. The students, with the assistance of our classroom aides (Ms Mazzella, Ms Jones, Ms Negrin, and Ms Fernandez), colored the apple using markers and ripped paper. They then created a sentence about their apples using pictures or writing. Their apples came out great! We are so proud of their learning.
