

Dear Parents,

Communication & building relationships are essential to a successful school year. Please take a few minutes to sign up for your child's class Remind App account. Click on the below link of your child's class and instructions are available. Not only will you be in the loop to class announcements BUT you can also send me private messages if you have any questions regarding your child. Please note: no phone numbers are shared with the class.

This is an exciting new way for me to communicate with both parents and students. I hope you decide to join!

Take care,

Mrs. Miano
