Montessori School 31 PTA Secures Grant

Parenting in the digital age can be challenging, and families are faced with many important decisions surrounding technology use and digital safety. The PTA Connected: **Ready, Tech, Go!** program, a collaboration between National PTA and AT&T, will help families parents and caregivers navigate these challenges.

New York Rangers Donated Hockey Equipment to

Montessori School 31

Hello parents/guardians, I am excited to let you know that the New York Rangers donated hockey equipment to promote healthy habits in students. The Junior Rangers Ball Hockey Program is a New York Rangers initiative that strives to healthy habits in kids by introducing them to hockey and providing them with necessary resources and equipment. I have started to teach the students the basics and fundamentals of hockey during physical education classes. Hockey is a great way for students to have fun and stay active. It is also a terrific way for students to learn important life skills.

We're looking for volunteers!

Volunteering makes a big difference! Research consistently shows that kids whose parents are involved in their schools do better!

If everyone pledges to volunteer just 2 hours a year, it will have a huge impact on our school and our students.

If you are interested in helping out please email us at
