## Noticing the Good

## RHS HOLIDAY FESTIVITIES

### Pumpkins for Peace

Students at RHS raised money for Doctors Without Borders, an international medical humanitarian organization that delivers emergency medical aid to people affected by conflict, natural disasters, epidemics, and healthcare exclusion. Founded in 1971, MSF provides life-saving medical care in over 70 countries, often working in some of the world's most remote or dangerous areas. The organization is known for its commitment to independence, neutrality, and impartiality, ensuring that aid reaches those most in need regardless of race, religion, or political affiliation.

With teams of doctors, nurses, and other healthcare professionals, MSF strives to provide quality healthcare to people facing crises, advocating for them and bearing witness to injustices they encounter along the way.

### Neurodiversity Awareness Fundraiser

The Students of RHS celebrate diversity with spooky treats, costumes, and fun activities—all in support of neurodivergent individuals. They earned community service hours while making this Halloween about inclusion and acceptance for all brains! 🎃👻
