## Noticing the Good

## Operation Soil

Students at Roosevelt are spreading holiday cheer to U.S. service members overseas through a heartfelt letter-writing campaign as part of Operation Soil. Organized by Ms. DeGaetano and Ms. Adorno, the initiative aims to thank active-duty military members for their service and sacrifice.

Over 520 students participated, penning personal notes filled with appreciation, encouragement, and well-wishes.

The letters will be included in care packages sent by United for the Troops, a national nonprofit dedicated to supporting service members, veterans, and first responders. Through this initiative, students not only express gratitude but also learn the importance of giving back to those who serve.

## Saturday Academy
