Whether you're stepping into these halls for the first time as freshmen or returning as seasoned upperclassmen, we are thrilled to have you as part of our vibrant school community. Remember, your time in high school is what you make of it. Embrace the opportunities, ask questions, seek help when needed, and never be afraid to dream big. We believe in you and are committed to helping you succeed – this is where your journey to greatness begins!

Noticing the Good

Freshman Orientation

Hundreds of students and their families attended Freshman Orientation as a first step designed to help navigate their way through high school life.

During this event, students met classmates, learned about our school's culture and values, explored the campus, and got tips on how to succeed academically and socially.

It was a great way to start forming the friendships that will shape our children's high school experience.
