## Noticing the Good

### Experience at FIT Master Classes!

For the second year in a row, our students had the incredible opportunity to attend master classes at FIT—an experience that continues to inspire and challenge them as young artists. As we all know, the landscape of art schools is growing increasingly competitive, making opportunities like these even more valuable for our students' growth and future success.

A huge thank you to RHS ECS Visual Arts Department for their dedication in organizing the logistics and transportation. Your hard work ensures that our students can access these enriching experiences, and we truly appreciate it!
