Once Upon a Win: A-Team
Student Shines in Artists with
Autism Awards

We are proud to share that the students of Mrs. Degaetano, Mrs. Doley, Ms. Hernandez, and Mrs. Morra have been awarded this year's 9th Annual Artists with Autism Award for their outstanding collaborative project, "Once Upon a Time."

Centered around the theme of bringing literature to life, the project showcased the students' creativity and imagination as they designed an interactive book featuring pop-out characters that leap off the page.

A heartfelt thank you goes to Mrs. Morgan for graciously allowing us to reuse her beautifully crafted book, which served as an inspiring foundation for our students' vision.
