Noticing the Good

Senior Sunrise

The class of 2025 participated in a Senior Sunrise, a cherished tradition for high school seniors. They met early in the morning and gathered to watch the sunrise together, symbolizing the beginning of their last year in high school and the bright future ahead. It's a moment of reflection, unity, and excitement as they celebrate their journey thus far and look forward to the milestones they will reach in the months to come.

Word of the Week

DEFINITION - adjective		SENTENCE	
<ul style="list-style-type: none"> The act or process of repairing, renewing or restoring; to good condition. The act of reinvigorating or reviving. 		The transition to organic growing will require an investment of labor and capital to complete the orchard renovation, install new plantings, and build economic viability.	
SYNONYM		ANTONYM	
Renewal Restoration		Damage Neglect
