ACADEMY OF FINANCE: BUSINESS ENTREPRENEURSHIP AND MANAGEMENT

PROGRAM OVERVIEW

The Academy of Finance Program at Lincoln High School is part of the National Academy Foundation, which has approximately 200 academies nationwide. It is a four-year New York State Education Department approved Career and Technical Education Program with a rigorous curriculum that focuses on Business Entrepreneurship and Management and has been in existence for over 30 years. This program is ideal for anyone who has ever thought about owning their own business or being the person responsible for the success of a business. Students learn business skills essential to efficient, productive operations for any company. It matches the students' aspirations with the skills needed to achieve them.

During their course of study students will engage in career exploration, personal finance, accounting, investing, marketing, entrepreneurship and doing business globally. Each course introduces the principles and practices essential to the business system. Students will have the opportunity to collaborate with local, national and in-school businesses to gain work experience, build technical skills and access a professional network in their community. Students will be provided with a thorough introduction to the concepts, tools, and institutions of business and serve as a strong foundation for those that seek to study at the college level and pursue careers in various fields of business.
