

C2 Virtual: The Complete C2 Experience

While our centers are temporarily closed, we're available virtually to continue meeting our students' needs — all the same people and programs, but instead of face-to-face in a center, we're face-to-face live online.

COLLEGE ADMISSIONS

Guidance and Counseling

For over 20 years, C2 Education has supported the academic needs of more than 100,000 students, and everything we offer is now available online until we reopen our centers:

- customized admissions support from our certified college counselors
- personalized instruction from our expert teachers
- focused support for each individual student

To show our commitment to our students and the value we provide, we're pleased to offer new students the opportunity to enroll in a comprehensive program **RISK-FREE**. Enroll now, and if you cancel before May 31, you can receive a full refund for any unused hours.
