

Join Our Junior Docent Program

25 years and going strong!

“In the HRM’s Junior Docent Program, not only will you gain more confidence, but you will feel part of a community, or better yet, a family. You won’t want to miss out.”

—Kathleen Leite, Alumna, Class of 2019
University at Buffalo, Class of 2023

Junior Docents are high school students just like you who train to work as museum tour guides, workshop leaders, and ambassadors to the HRM. In addition to working with visitors of all ages, you will have the opportunity to visit other museums, meet with teens in programs around Westchester County and New York City, and prepare for college through our College Readiness Series.

The HRM is the only cultural institution that offers art, science, *and* history in Westchester County, but the interests of our Junior Docents extend well beyond those subjects. This unique program is an opportunity for students who are eager to work in a museum setting. The application is now open to freshmen and sophomores in Yonkers Public High Schools. We want to hear from you—apply today!
