

WELCOME TO 2ND GRADE

Dear Parents/Guardians,

Welcome to Second Grade at Westchester Hills School 29 for the 2024-2025 school year! We are looking forward to a great year ahead.

Here is a list of the supplies we are requesting that you to send in with your child on the first day of school.

Please note: Brand names were given as a *suggestion*. We have learned over the years that these brands are of higher quality. While you may pay more for them now, you will not have to replace them as often throughout the year. Keep an eye out for sales over the summer. All of these items can be found drastically marked down during the summer months at stores like Staples, Target, and Walmart
