GRADES PRE-K – 6

1408 Nepperhan Avenue, Yonkers, New York 10703 • (914) 376-8440

School Theme: Multicultural Studies

- Comprehensive, inquiry-based approach to teaching and learning using research and best practices
- Students pursue self-reliance, active scholarly success and responsible citizenship through academic and multicultural studies
- Global perspectives are explored in thematic units of study
- Cultural heritages are preserved and broadened through exhibitions and international festivals
- Parental involvement, school volunteers and community partnerships are an integral part of the school's culture
- Through collaboration of administration, staff, families and community, all students, are afforded the opportunity to maximize their social, emotional and academic potential in a safe, nurturing learning environment.
- By utilizing Data Analysis and differentiated instruction, an educational plan is developed for each student to address their learning style and maximize success.
- Students develop a deeper understanding, respect and appreciation of all cultures through a cultural infusion in all subject areas.
- School-wide activities such as Spirit Days, Pajama Days, and Anti-Bullying Unity days foster a unified, positive setting to complement the academic learning environment.
- Creating student leaders through our Student Counsel and Safety Patrol Team.
- Regular recognition of student achievement through awards for high honors, honors, merit achievement, attendance, good citizenship and Student of the month.
- Community Partnerships: Consumer Reports, Heart Association, Leukemia and Lymphoma Society, Stew Leonards, Toys for Tots, Yonkers Animal Shelter, Yonkers Fire Department
