

READWORKS

Go to the website www.readworks.org/student

Type in our class code **7P3PJP**

Click on your name to get started.

The password for every student is **smith3**

When you have logged on, you can click on **Assignments To Do**. This is where you will find the reading passages I have assigned for the week.

Click on the title of the assigned reading passage for the day.

1. The students should read the passage by themselves.
2. They can have the passage read to them for a second read by clicking the audio button.
3. Click the **Questions** tab and answer the questions based on the story.
4. Click the **Submit** button to have your answers submitted and graded.
