EXPLORING THE INTERNATIONAL SPACE STATION

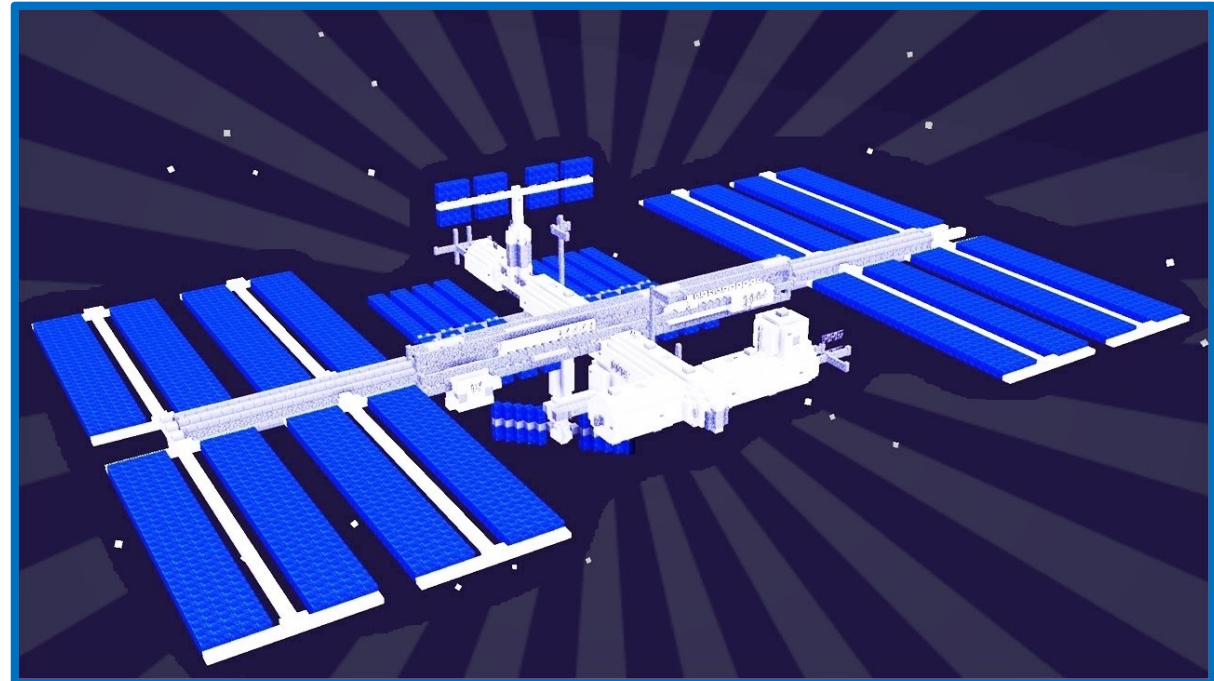

VERSION 1.0

Lesson 10

Minecraft Space Station

STUDENT ACTIVITY

- Completing our Minecraft space stations.
- Make sure your space station includes:
 - Modules
 - Solar Panels
 - Rockets and Pods
 - Cupola
 - Magnet Inventions
 - Plant Container
 - Water Filtration System

THE FINAL BUILD OF YOUR SPACE STATION

- How did you design your station? What unique elements did you add?
- Which part was the most challenging?
- How can you design your space station or spaceship to solve one of today's problems?

WHILE THIS IS THE CONCLUSION OF LESSON 10 YOU WILL NOW BE EXPLORING A PROBLEM TODAY THAT YOUR SPACE STATION OR SPACESHIP CAN SOLVE
