Message from Superintendent Soler

Dear Yonkers Public Schools Community,

This week, I met with Mayor Mike Spano and the Conference of Big 5 Schools which advocates for the New York State's largest school districts. We continued to strengthen our partnership and discussed the challenges facing our district and possible solutions to be considered in the 2025 - 2026 school budget.

Congratulations to the Athlete of the Week, Margaret Ennin, Lincoln High School

Also while students and staff enjoyed a well-deserved break in observance of Lunar New Year, the work of advocating for our schools continued. I traveled to Albany to testify before the New York State Legislature, fighting for the funding our students deserve.

The time is now to fund Yonkers Public Schools fairly.

My message was simple: **Protect the Investment. Protect the Progress. Protect Yonkers Public Schools.** Our students' future depends on New York State leaders in the Senate and Assembly stepping up to ensure our schools receive equitable funding.

As we continue these efforts, I have been meeting with various departments across the district to discuss the critical needs that will help us best support our students.

While we continue to fight for the funding our schools deserve, we also remain deeply committed to ensuring that every student no matter their background feels safe, supported, and valued in our schools.

As a proud Latino and an educator, I understand the concerns many of our immigrant families face, especially in uncertain times. Yonkers Public Schools is dedicated to maintaining a safe, welcoming, and inclusive environment for all students. Every child in our district has the right to a high-quality education, regardless of their immigration status.

Message from Superintendent Soler (Continued)

To reinforce this commitment, we are sharing [NYSED guidance on immigrant student rights](#) to provide clarity and reassurance for families.

In addition, I had the opportunity to strengthen our partnerships with NAACP Yonkers and Yonkers Partners in Education (YPIE), two organizations dedicated to providing invaluable resources and support to our students and families. Collaborating with these groups help expand opportunities for our students and ensure they have the support systems they need to thrive.

Students at School 5 Made Lanterns to Celebrate the Lunar New Year

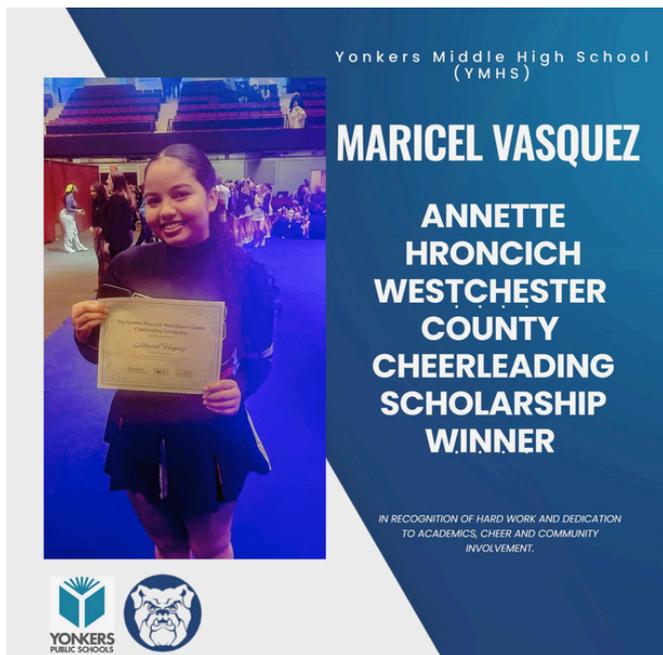

Finally, a reminder that **Monday, February 3rd, is the deadline to submit feedback for our [Yonkers Public Schools 2030 Strategic Plan](#)**. Your voice matters, and your input will help shape the direction of our district for years to come. If you haven't already, I encourage you to take a few minutes to complete the survey.

Thank you for your continued partnership and support. Together, we will ensure our students receive the best education possible.

International Holocaust Remembrance Day

INTERNATIONAL
**HOLOCAUST
REMEMBRANCE**
DAY

January 27th

Honoring the Victims and Survivors

This week marked International Holocaust Remembrance Day, commemorating the liberation of Auschwitz-Birkenau in 1945.

We remember the six million Jewish victims of the Holocaust, honor the survivors, and recognize the millions of other victims of Nazism. As we reflect, we reaffirm our commitment to educating future generations on the importance of remembrance, tolerance, and standing against hate.

Fighting for Fair Funding in Albany

Superintendent Soler Testifies Before the NYS Legislature

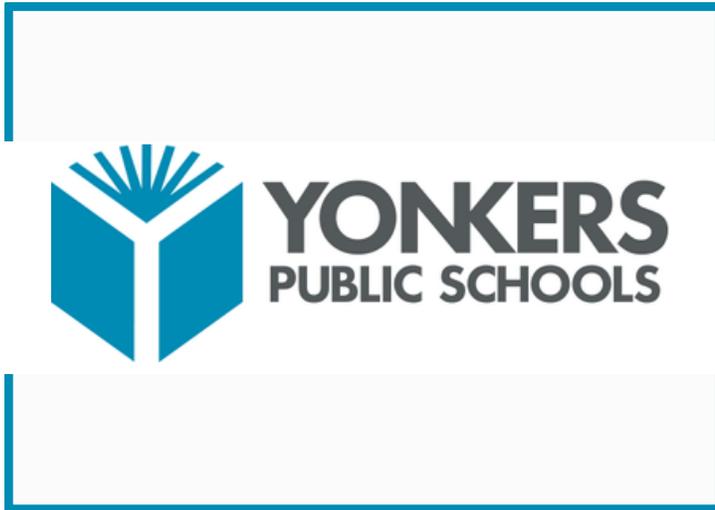

Superintendent Anibal Soler, Jr. traveled to Albany to testify before the New York State Legislature, advocating for the funding Yonkers Public Schools needs to support its students.

Did you know Yonkers could receive up to \$22 million more in state aid, but because of where we are located, we are unfairly penalized in the funding distribution?

The time is now to fund Yonkers fairly. We need New York State legislators to Protect the Investment. Protect the Progress. Protect Yonkers Public Schools.
