# Message from Superintendent Soler

Dear Yonkers Public Schools  
Community,

**February is a time to honor, reflect, and celebrate as we recognize Black History Month a month dedicated to acknowledging the profound contributions of Black leaders, educators, and trailblazers who have shaped our history and continue to inspire the next generation.**

*Superintendent Soler with Khalil Gibran School Students During World Read Aloud Day*

**Throughout the month, our schools will engage in meaningful discussions, lessons, and activities that highlight the impact of Black excellence and the ongoing fight for justice and equality.**

This week the Yonkers Magic was on full display across our schools from celebrating reading with students to recognizing the power of sports in shaping young women's futures. Even with a midweek snow day, our schools remained full of energy, collaboration, and learning.

**However, I want to start with an important call to action.**

**Yonkers Public Schools is facing a \$68 million budget deficit, and we need your input. As we work to strengthen schools, improve efficiency, and maintain financial sustainability, we want to hear from you!** Your feedback will help shape our recommendations to the Board of Education, ensuring that the voices of our families and community guide our next steps. **Please take a moment to complete the Yonkers Public Schools Community Survey. I kicked off my week with my personal favorite, school visits! I went to Paideia School 24 and School 22, where I witnessed firsthand the dedication of Principal Kim Davis, Principal Sony Grandoit, and their teams. Seeing our students engaged in learning and thriving in a supportive environment is always inspiring.

## *Message from Superintendent Soler (Continued)*

We also held a Principals Meeting at Cross Hill Academy, reinforcing our shared commitment to student success. Strong school leadership is key to ensuring every child in Yonkers Public Schools has access to the education they deserve.

It was a joy to celebrate World Reading Day with Mayor Mike Spano at Khalil Gibran School, where we read to students and encouraged a lifelong love of books. We also celebrated National Girls and Women in Sports Day, highlighting the importance of athletics in building confidence, teamwork, and leadership skills for young women in our district.

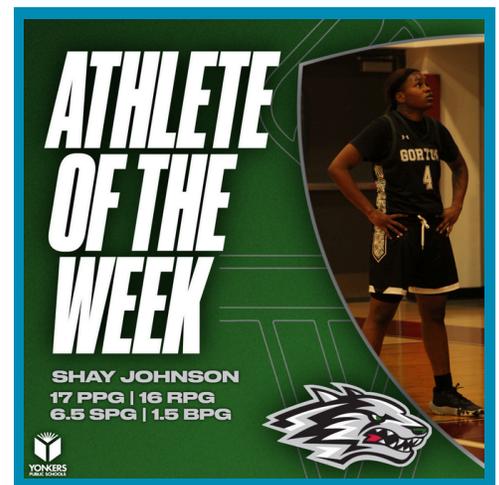

I met with the Yonkers Council of PTAs to discuss ways to strengthen advocacy efforts and expand collaboration. The partnership between our schools and families is critical to student success, and I appreciate their continued engagement in making Yonkers Public Schools stronger.

**Another exciting announcement: [Nominations for Yonkers Teacher of the Year are now open!](#)** We are looking for teachers from all subject areas, and nominations are welcome from students, parents, staff members, and the general public. This is our chance to recognize the incredible educators who make a difference in the lives of our students every day. **Submit your nomination by March 3, 2025.**

Thank you for your continued support and commitment to our students. Let's keep working together to ensure that Yonkers Public Schools remains a place of opportunity, growth, and Yonkers Magic for every child.
