

Message from Superintendent Soler

Superintendent, Anibal Soler, Jr.

Dear Yonkers Families,

This week marks one full year since I joined the Yonkers Public Schools community, and I just want to say thank you. From day one, I've been inspired by your passion, your partnership, and your unwavering belief in what's possible for our students. It's been an incredible year where we have celebrated many small wins including – deepening family engagement, creating a brand-new office dedicated to teaching and

learning where we are creating access across all school campuses and providing equitable resources for our students. A special thank you to the YPS community for the surprise celebration this week, it meant the world to me. I'm proud of what we've accomplished together, please know we've only just begun.

With that being said, I want to inform you that the Yonkers 2030 strategic plan is near complete and I am excited to share it with you in the near future.

We are now in a critical time of the year for students and staff. State testing is underway across our elementary and middle schools, and our high school students are preparing for the upcoming regents exams. To all of our students: we are proud of you. Stay focused, and know that your schools, and families are here to support you. You've got this!

Speaking of student excellence, I had the honor of joining MBK Executive Director, Dr. Jason Baez and our incredible My Brother's Keeper Fellows at this year's New York State MBK Symposium. We shared how YPS is supporting one another, building leadership, and making a difference in our schools and city. And the results speak for themselves; Yonkers leads the large urban school districts in the state with a 90% on-time graduation rate.

We also celebrated Associate Superintendent Lissette Colón-Collins, who was recognized at the 39th Annual Association of Hispanic Professionals Scholarship Dinner.

Message from Superintendent Soler (Continued)

Her commitment to equity and academic excellence continues to guide and inspire our school leaders.

Finally, students, teachers and central office staff joined with the City of Yonkers and our students to honor Jazz Appreciation Month – special recognition to Roosevelt High School – Early College Studies, Barack Obama School for Social Justice, and the Yonkers Middle High School choir and band for participating. We also joined the Roosevelt High School Community in a special tree planting ceremony in memory of lifelong Yonkers resident Maria DeChent. These moments of reflection and celebration remind us of the power of community.

Let's keep building on that spirit—together.
