Message from Superintendent Soler

Dear Yonkers Public Schools Community,

As we prepare to enter the holiday recess and welcome the New Year, I want to take a moment to reflect on the incredible journey we've shared this year. The holidays are a time for joy, reflection, and gratitude – a moment to pause, recharge, and spend time with loved ones. Whether you celebrate Christmas,

***A Warm Reminder That All Schools Are Closed for
 Holiday Recess December 23 – January 1
 Schools Will Reopen on January 2nd***

Hanukkah, Kwanzaa, or use this season as a time for reflection, I hope it brings you peace and renewal.

In Yonkers, the Yonkers Magic shines brightest when we come together to support one another. It's in the trust we build daily, the collaborations we foster, and the unity we bring to every challenge and opportunity. This magic is what allows us to create extraordinary experiences for our students and make a positive impact on our community.

As we enjoy this season of giving, let us also remember those who may feel alone during the holidays. A kind word, a small gesture, or a moment of connection can make all the difference. Let's look out for one another, check on our neighbors, and continue to strengthen the bonds that make our Yonkers community so special.

This past week, I had the pleasure of attending events that exemplify the heart and dedication of our district. From celebrating the achievements of our Multi-Language Learners at Yonkers Middle High School, to honoring the incredible work of our principals and administrators and celebrating the winners of the Superintendent's School Bus Safety Contest with certificates and the Yonkers High School Choir for their outstanding contributions to the arts, the spirit of unity and collaboration is alive and thriving.

As we continue to shape the future of Yonkers Public Schools, I want to remind families to share their feedback by completing the [2030 Strategic Plan Survey](#). Your insights are essential in helping us identify areas for improvement and celebrate the successes that make our district a pillar of excellence. Together, we can chart a course that ensures every child has access to the opportunities they deserve.

Schools will be closed from December 23 through January 1 for the holiday recess and will reopen on January 2. I hope this time allows you to relax, reflect, and reconnect with your loved ones.

Thank you for your unwavering dedication, trust, and partnership. Let's look forward to the New Year with hope, possibilities, and a renewed commitment to creating more Yonkers Magic together.

Wishing you all a joyful and restful holiday season!
