Message from Superintendent Soler

Dear Yonkers Public Schools Community,

What an incredible week for Yonkers Public Schools! I'm thrilled to share that we officially cut the ribbon on the brand-new Robert Halmi Sr. Academy for Film and Television – a groundbreaking moment for our district and our students. This Academy is more than just a school – it's a launchpad for opportunities that many of our students never dreamed possible.

It was an honor to be joined by Mayor Mike Spano, Robert Halmi Jr. of Great Point Studios, and even some special guests from the cast of Raising Kanan to mark this special occasion.

Later this week, I had the pleasure of meeting with Westchester Community College's President, Dr. Belinda Miles. We had a fantastic discussion about how to further strengthen our partnership with Westchester Community College, which is vital to providing our students with pathways to higher education. Our collaboration will continue to open doors for Yonkers students, helping them achieve their academic and career goals.

I also had the opportunity to tour the Hudson River Museum with its Director and CEO, Masha Turchinsky. The museum is an incredible resource, and the planetarium, in particular, was my personal favorite! We explored ways to integrate our students into their programs and deepen the partnership between Yonkers Public Schools and the museum, which I know will lead to amazing learning experiences for our students.

Another highlight of the week was attending a Yonkers Partners in Education (YPIE) Gala. I want to extend a special thank you to Samuel Wallis, YPIE's Executive Director, for his continued leadership and dedication.

Message from Superintendent Soler (Continued)

YPIE has been an amazing partner in supporting our students, and I'm excited to see what we'll accomplish together.

I capped off my week with participating in the Community Planning Council of Yonkers roundtable discussion, hosted by Groundwork Hudson Valley at the Riverfront Library. This is an incredible group working to ensure equitable access to essential services for all.

This week truly reflected the "Yonkers Magic" in action! I'm proud of everything we've accomplished just over three weeks into the school year!

Together, we are creating something truly magical for our students and our community.

A Star-Studded Ribbon-Cutting for Robert Halmi Sr. Academy

We rolled out the red carpet this week as the brand-new Robert Halmi Sr. Academy for Film & Television officially opened its doors! With Mayor Mike Spano, Robert Halmi Jr., and surprise guests from Raising Kanan, this school is ready to put Yonkers on the map as the next big film hub. Our students are stepping into the spotlight!

Strengthening Partnerships

YPS x SUNY WCC

Superintendent Soler met with Westchester Community College President Dr. Belinda Miles to discuss exciting new opportunities for Yonkers students. By strengthening this partnership we are opening doors to higher education and career pathways that will lead our students to success.
