16th March 2015 Hi Sarah, Suitable Opening I have so much to tell you! I'm on holiday with my family here in Tenerife. The weather is fantastic and yesterday we went on a super trip and I got to swim with some bottlenose dolphins!! Can you believe that? They came right up to me and let me hold on to them tightly, then they pulled me around for a while in the pool as fast as a speedboat! Tomorrow we are off on a scenic boat trip around the island and then we will watch some fireworks in the evening. Anyway, I've got to go now as Mom is calling me. See you soon, VANESSA X	Sarah Marshall 125 Stirling Street, Newark, Nottinghamshire. NG16 2 DA
