

A Day of Remembrance

Complete the math problems on the next page in order to find the missing words and complete this short text.

Every Memorial Day weekend people around the United States take out their **1.** _____, lawn chairs and invite friends and family over to enjoy a Memorial Day **2.** _____. Even though the official beginning of summer is in late June, many people associate this Monday off from school and work as the **3.** _____ of summer. However, this day is so much more than a barbeque in the backyard or the unofficial start to summer. Memorial Day is a day to remember all those who **4.** _____ while serving in the military.

On May 30th, 1868 **5.** _____ General John A. Logan began decorating the graves of **6.** _____ soldiers as a way to remember them. 20 years after this day, in 1888, the day became known as Memorial Day. In 1950 congress asked that people take this day to think about and pray for those that **7.** _____ away while fighting. They also asked that people prayed for **8.** _____. Finally, in 1971 President Richard Nixon declared this day a **9.** _____ holiday.

Since Memorial Day is a federal holiday students and adults receive the day **10.** _____ of school and work. Often people go to parades or **11.** _____ to remember those lives lost. Often on this day people celebrate the lives of current **12.** _____ or veterans who have passed away, as well. While this is a fine thing to do, we should remember that this day is meant for those who died **13.** _____ for our country. In November we celebrate Veterans Day for all veterans. Memorial Day is meant as a day of **14.** _____ for all those no longer with us, who were never able to **15.** _____ themselves veterans while they were alive.
