The Basics: How to Sign into CLEVER

Yonkers Public Schools is proud to partner with Clever - a single sign-on program that allows our students and staff to access all our instructional technology from any device with one username a password. All members of the Yonkers Public Schools learning community have equitable access to the following resources:

- All library resources
- Microsoft Teams
- Office 365 Suite (Word, PowerPoint, Teams, OneNote, Outlook)

- Castle Learning - An online assessment system with self-study options
- Discovery Education - A database of digital content that extends student learning
- BrainPop (Including BrainPop ELL and BrainPop Jr.) - Short, animated videos with related content and quizzes
- Khan Academy - A set of searchable online lessons and full courses for students to extend learning out of the classroom
- Typing.org - Online typing lessons and independent practice opportunities
- Code.org - Self-guided lessons on computer science
