

Join with a class code

Your teacher can tell you the class code. After you get the code, follow these steps:

1. Go to classroom.google.com [🔗](#) .
2. Make sure to sign in with the correct account. If you're already signed in and need to switch accounts, in the top-right corner, click your profile picture > select or add your account.
3. At the top, click Join class + .
