Museum School 25

August 23, 2023

Dear Faculty and Staff of Museum School 25,

I am excited about the year ahead! We will **RISE UP!**

As a faculty and Staff, this will be a year where we focus on building meaningful relationships. We will **RISE UP!**

As we begin this year, we will focus academically on the following Instructional Foci:

1. Interactions with Students (4.1.a): We will focus on teacher-to-student interactions that reflect genuine respect, caring, and cultural understanding for individuals and groups of students. We will create supportive learning environments where students feel accepted and free to take learning risks.
2. Engages Students (3.1.b): Teachers will implement instructional practices that engage students at an appropriately high level of cognitive challenge. Students will have regular and ongoing opportunities to interact with you and with peers. Student interactions will support deeper cognitive engagement.
3. Establishes Classroom Safety (4.4.c): We will implement classroom safety procedures and support solid Tier I classroom interventions; both academic and behavioral.
4. We will **RISE UP** and use our curriculums with energy and fidelity!
