How to Link *Khan Academy to College Board*

IMPORTANT: In order to proceed, you need to be able to log in to a school computer. If you need a password reset, see Mrs. Loia or Ms. Flores in Room 310)

Step 1:

A. Go the LHS homepage and click on the Clever Portal tab.

B. Log in to Clever, then Microsoft 365 using the following username and password:
Username: your school ID #@yonkerspublicschools.org
> Example: 888888@yonkerspublicschools.org

Password: Your computer password

C. Once you are logged in to Clever, open two additional tabs:
Computer Based Testing Preparation > Khan Academy
College/Career Readiness > College Board

Step 2:

Create an account in *Khan Academy* by selecting "Sign Up" in the upper-right corner. Be sure to adhere to the following guidelines:

Username: first initial, last name, followed by a number (Example: kloia1)
Password: Jb(Your school ID)$ (Example:Jb888888$)
Email address: School email (888888@yonkerspublicschools.org)

You will receive a confirmation email that must be opened to complete the process!

Step 3:

Create an account in *College Board* using the following guidelines:

Username: first initial, last name, followed by a number (Example: kloia1)
Password: Jb(Your school ID)$ (Example:Jb888888$)
Email address: School email (888888@yonkerspublicschools.org)

Step 4:

A. Once both accounts are set up, go back to College Board. In the upper –right corner, click on the yellow icon.
B. Select **My Plan** > **My Tests** > Scroll down and select **My Scores**
C. In the upper-right corner, select **Khan Academy** > **Start Practicing > A > A**
D. Type in your College Board password > **Send** > **Allow**

Remember to Save BOTH usernames and passwords in CLEVER!!
