Dear Parent or Guardian,

I look forward to meeting my new students and welcoming back my returning second and third level students. It is my practice to purchase all supplies needed for my class so that I both save parents time and money as well as to assure the right materials are purchased. I will be sending a letter with the amount the first week of school. I believe it will be in the \$35 to \$40 range and will ask you to send money to cover the cost of the supplies I was able to obtain at cost from various vendors. Hopefully, this will ease the burden of long lines for you. Your child will also need a laptop or computer to complete online assignments which are assigned nightly.

**BOOKBAGS WITHOUT WHEELS, GOOD HEADPHONES, and a LUNCHBOX ARE items used daily.**

**I take care of the following:**
