

June 16, 2022

Dear Parent or Guardian,

I look forward to meeting my new students and welcoming back my returning second and third level students. For those of you returning to me I am following my practice of purchasing the supplies needed for a successful year. In lieu of a long supply list, I am requesting each family send money to cover the cost of the supplies I was able to obtain at cost from various vendors. Hopefully, this will ease the burden of long lines for you. Your child will also need a laptop or computer to complete online assignments which are assigned nightly.

Your child will need you to purchase a bookbag without wheels, good headphones and a lunchbox. These items are used daily.

I take care of the following:

- Notebooks (4 each student)
- Folder for home connection and subject work (4 each student)
- Crayola Pencils
- Crayola Crayons
- Scissors
- Pencils (enough to start year and take us midway hopefully)
- Erasers to share
 - Post It Strips
 - Rulers
 - Stem Supply Fund

SECOND AND THIRD LEVEL PARENTS ONLY

Students will need post it slips and two yellow highlighters. The **third grade** should also have a **thesaurus to use for language.**

For homework all students will need to have available **a ruler, dictionary, colored pencils, lead pencils and crayons depending on assignment. Students do best when they have a dedicated place and routine for their work.**

In advance, thank you so very much for your support and cooperation. I will ask for the money once all bills have been paid in the first week or so of school.

All the Best,

MCC
