

MEMORIAL DAY DISTRICTWIDE ACTIVITY FRIDAY, MAY 22, 2020

As a learning community, we have traditionally honored at our schools those who we have lost in war. Yonkers' military history is very rich, with men and women serving in every war since the American Revolution. Monuments throughout the city commemorate the acts of heroism of those who have served and made the ultimate sacrifice.

To commemorate [Memorial Day through Distance Learning](#) districtwide, each classroom teacher is being asked to assign a meaningful activity related to the holiday that is due on Tuesday, May 26.

As usual, please post your assignment on your teacher webpage, in this case by Thursday, May 21 and, if you choose to use the Distance Learning resources, add the link: <https://www.yonkerspublicschools.org/memorialday2020>.

Resources are available for grades prekindergarten through 12 for teachers and students in the [Memorial Day section on the District's Distance Learning](#) website. They include:

- Background information on the origins of Memorial Day
- Brief video presentations
- Reading excerpts
- Photos from the City of Yonkers
- Projects and lessons

Resources are also available through Clever

Reminder: A guide for navigating your webpages is available:
<https://www.yonkerspublicschools.org/teacher-website-basics>.

Thank you.
