Welcome to the PowerSchool Parent Portal

Parents/guardians received **letters with personalized instructions** about how to access their children's attendance records and current grades in the Yonkers Public Schools PowerSchool Parent Portal.

Parents will receive a **separate letter** for each child.

To access your child's information, please follow these steps:

1. Open an internet browser on any web accessible device.
2. Link to <http://yonkersps.powerschool.com/public>
3. Choose "Create Account" to start the process.
4. Create your account by following the on-screen prompts. You will need to supply your first name, last name, email address, username, password, and relationship to child. **Please make note of your username and password.**
5. To link to your child, use the provided Access ID and Password. **The Access ID is case sensitive. The password is your child's date of birth** in this format: **mm/dd/yyyy**. For example, if his/her birthday is February 2, 2010, you will enter 02/02/2010.
6. If you have more than one child in the district, you may link them on this screen, or in the Parent Portal. You will need a unique Access ID and password for each additional child

Once you successfully create your account, you will be able to use your username and password to sign in to your child's account and monitor his/her academic progress.

If you have any questions or problems please contact Parent Portal Support at this email, ParentPortal@YonkersPublicSchools.org.

VERIFIQUE LAS TAREAS EN LÍNEA DE SU HIJO

Microsoft Office 360 es gratis para nuestros estudiantes

Puede descargarlo o utilizar la versión en línea.

Necesitará la dirección de correo electrónico de la escuela de su hijo.

La dirección de correo electrónico de la escuela de su hijo utiliza su número de identificación: 123456@yonkerspublicschools.org

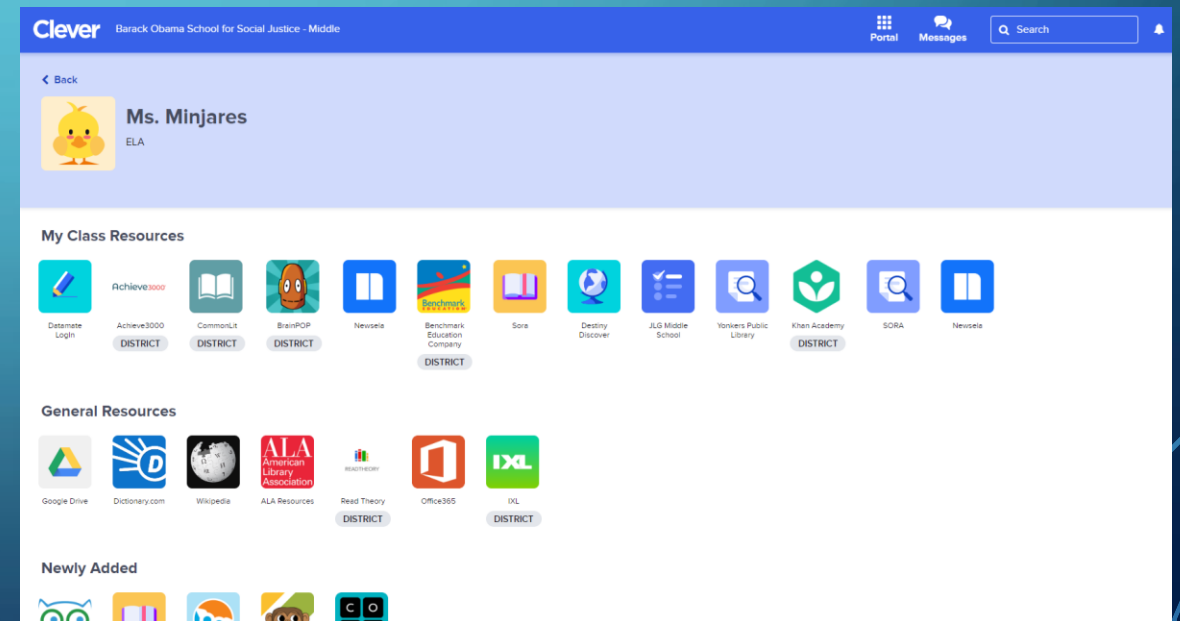

Tienen acceso al correo electrónico de su escuela, Word, PowerPoint y Teams.

VERIFIQUE LAS TAREAS EN LÍNEA DE SU HIJO

Clever contiene los programas que usamos en clase.

Necesitará la dirección de correo electrónico de la escuela de su hijo y su contraseña para acceder a Clever. (Recordar: 123456@yonkerspublicschools.org)

Inicia sesión en Clever una vez, y luego puede acceder a todas las aplicaciones e incluso enviar mensajes a sus maestros.

VERIFIQUE LAS TAREAS EN LÍNEA DE SU HIJO

Consulte Achieve 3000 en Clever para conocer el nivel de lectura y las tareas actuales de su hijo.

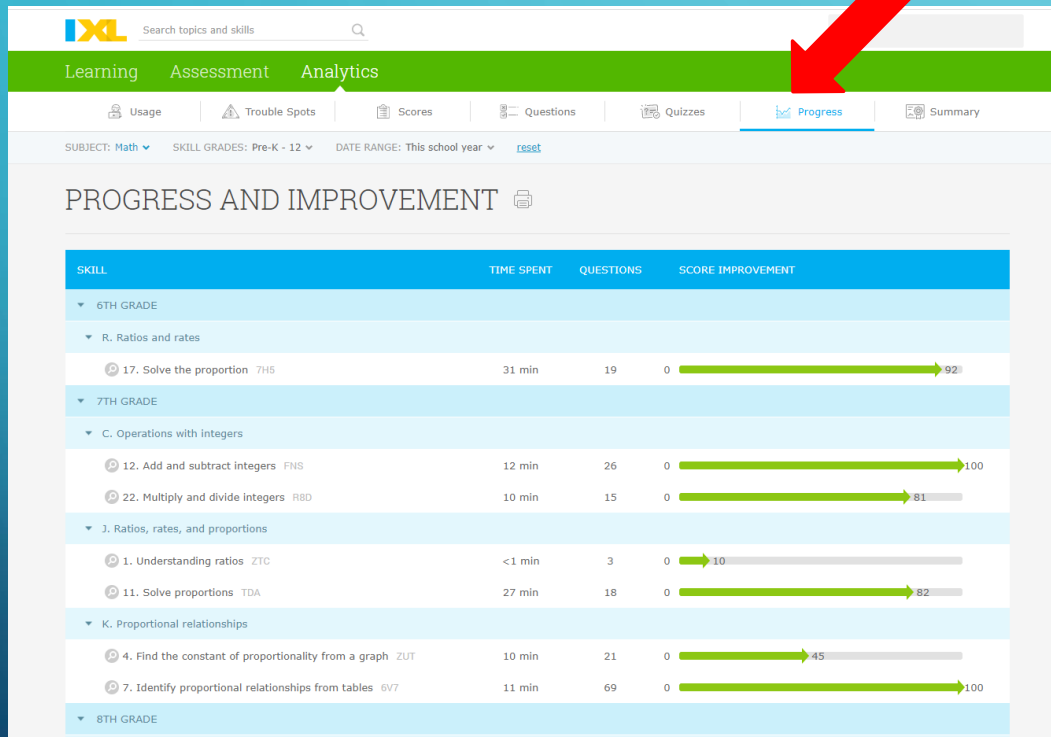

The screenshot shows the Achieve3000 Literacy website. The top navigation bar includes the logo, "NY Edition", and a search bar. Below the header, there's a green banner with the text "Enjoy these articles and do your best on the activities. Happy Learning!". The main content area displays a lesson titled "Snowbound: Episode 4" with a "START" button. To the right of the lesson title is a large image of a snowy street scene. Below the lesson title, there's a "Dashboard" section with tabs for "My Lessons", "My Messages", "My Scoreboard", and "My Future". The "My Scoreboard" tab is selected, showing a "Lexile Tracker" graph. The graph plots Lexile scores from 610 to 730 over a 12-month period from October to June. A green line shows the student's progress, with a callout box saying "Click for Details". A green dot at the end of the line indicates the current score. Below the graph, there's a green checkmark and the text "Keep working to improve your skills and get on target to meet your career and college readiness goal."

The screenshot shows the "My Lessons" page in the Achieve3000 Literacy website. The page has a green header with the logo and a search bar. Below the header, there's a "Lesson Progress" dropdown menu. The main content area is a table listing lessons. The table has columns for "Dates", "Lesson", "Topic", "Ready", "Read", "Reassess", "Reflect", and "Write". The lessons listed include "Revolutionary Sp...", "Got a Problem? Mail a Mouse", "What the Founders Read", "A Bill of Rights: Yes or No?", "The Articles of Confederation", "Snowbound: Episode 1", "Snowbound: Episode 2", and "Matches, Mad Hatters, and Ghost Girls". Each lesson row has a "Ready" column with a green dot indicating completion. A red arrow points from the "Snowbound: Episode 4" lesson in the dashboard to the "Snowbound: Episode 1" lesson in this table.

VERIFIQUE LAS TAREAS EN LÍNEA DE SU HIJO

Consulte IXL en Clever para conocer el nivel actual de matemáticas, las tareas y la práctica adicional de su hijo.

The screenshot shows the IXL 'Progress and Improvement' page. The top navigation bar has tabs for Learning, Assessment, and Analytics. The Analytics tab is selected, and a red arrow points to it. Below the navigation bar, there are filters for Subject (Math), Skill Grades (Pre-K - 12), and Date Range (This school year). The main content area is titled 'PROGRESS AND IMPROVEMENT' and displays a table of student progress across various skills.

SKILL	TIME SPENT	QUESTIONS	SCORE IMPROVEMENT
6TH GRADE			
R. Ratios and rates			
17. Solve the proportion 7H5	31 min	19	0
7TH GRADE			
C. Operations with integers			
12. Add and subtract integers FNS	12 min	26	0
22. Multiply and divide integers RBD	10 min	15	0
J. Ratios, rates, and proportions			
1. Understanding ratios ZTC	<1 min	3	0
11. Solve proportions TDA	27 min	18	0
K. Proportional relationships			
4. Find the constant of proportionality from a graph ZUT	10 min	21	0
7. Identify proportional relationships from tables 6V7	11 min	69	0
8TH GRADE			

The screenshot shows the IXL 'Recommendations' page. The top navigation bar has tabs for Learning, Assessment, and Analytics. The Analytics tab is selected, and a red arrow points to it. Below the navigation bar, there are filters for Subject (Math), Language arts, Science, and Social studies. The main content area is titled 'Recommendations' and displays a list of recommended skills and practice activities. Two red arrows point to the 'Recommendations' tab in the top navigation bar and the 'Recommendations' title on the page.

Recommendations

Here are all the math, language arts, science, and social studies skills recommended just for you, based on what you've been working on recently. Explore the different types of recommendations, and click on any skill you'd like to try!

Use the correct pair of correlative conjunctions
Seventh grade

Complete the sentence with the best correlative conjunctions.

Shel Silverstein was _____ a celebrated author and illustrator _____ a songwriter. Silverstein wrote "A Boy Named Sue," made famous by country singer Johnny Cash.

☐ not only . . . but also

☐ neither . . . nor

☐ either . . . or

Convert customary and metric units using proportions
Sixth grade

Which proportion could you use to convert 9.25 liters to milliliters?

Convert.

9.25 liters = milliliters

Because you excelled in R.17 on December 19, 2022

Identify chemical formulas for ball-and-stick models
Seventh grade

What is the chemical formula for this molecule?

The Legislative Branch
Sixth grade

Article I, Section 8 of the United States Constitution specifically lists certain powers of the legislative branch. These are called **expressed powers**. In addition, the Constitution allows Congress to use **implied powers**. These powers aren't listed in the Constitution, but they're necessary in order to use the expressed powers.

Read the list of some of the expressed powers of the legislative branch. Then answer the question below.

- creating and collecting taxes
- borrowing and spending money
- regulating trade between states
- creating post offices
- declaring war
- funding, establishing, and maintaining the military

COMUNÍQUESE CON LOS MAESTROS DE SU HIJO

Los maestros pueden comunicarse con usted y su hijo en Remind y en Clever.

Remind está disponible en su computadora y en su teléfono. Puede buscar "Escuela Barack Obama para la Justicia Social" y luego buscar por maestro.
