Dear Parents,

Yonkers Public Schools is asking that all families complete the Income Eligibility Form. The information from this form is used by state and federal government as a measure of economic need. This determines the state and federal resources we receive as a district.

It is very important to complete this form. Completing the online version of the form is the preferred method. Please follow the steps below to complete the form.

1. Visit www.yonkerspublicschools.org
2. Click the apple icon labeled "Menus"
3. Click "Income Data Form" on the left tab, select English or Spanish
4. Fill out the online version of the form.

Thank you in advance for providing the district with this pertinent data. Please call the school if you have difficulty completing the form. Thank you.
