PEARLS (YPS) 5 Essentials Survey

What is the 5Essentials Survey?

This year Yonkers Public Schools is using the 5Essentials Survey to learn about the experiences of students, teachers, and families in our schools. The 5 Essentials were developed by the University of Chicago Urban Education Institute, in partnership with Chicago Public Schools. Past research has shown that schools strong on at least three of the five essentials are ten times more likely to improve student learning than schools weak on three or more of the five essentials.
