

April is Autism Awareness Month!

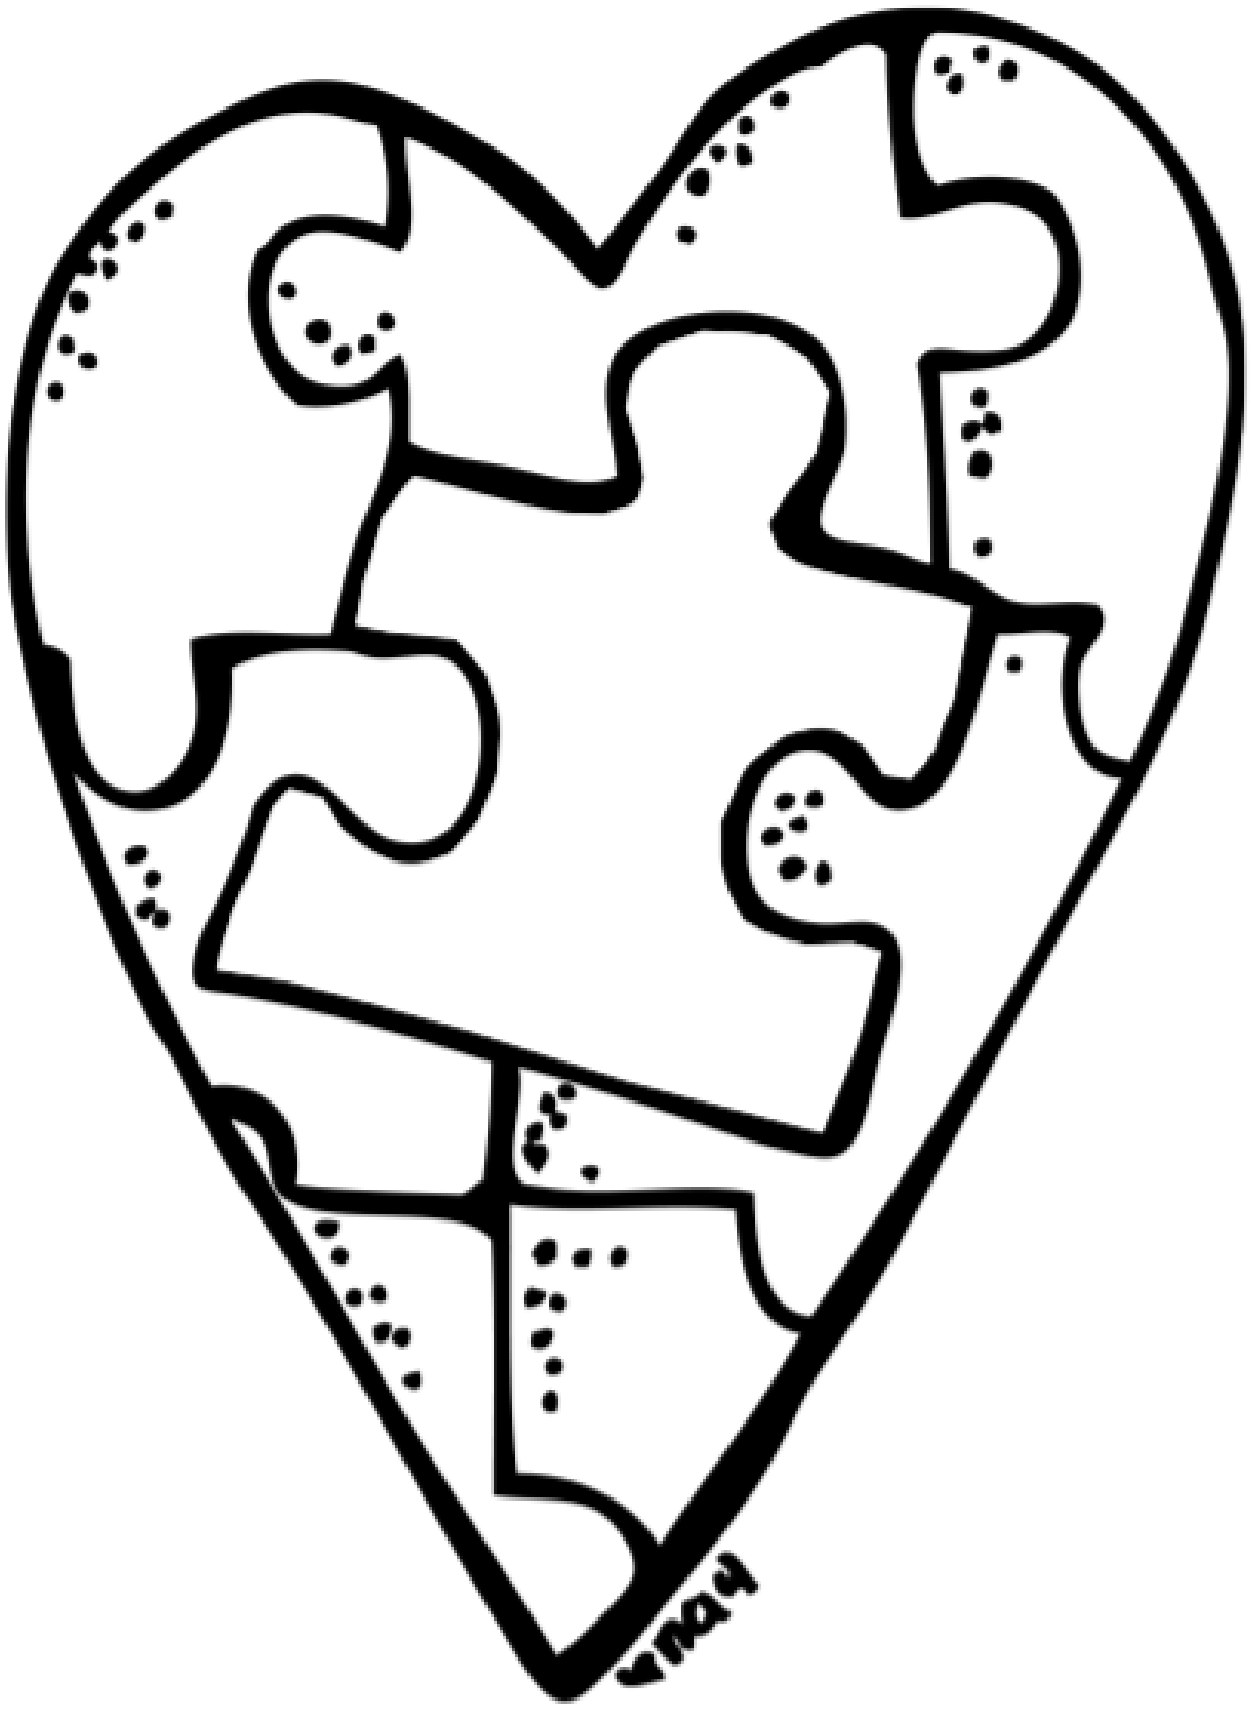

Let's light it up **blue** from home & spread **blue** cheer remotely!

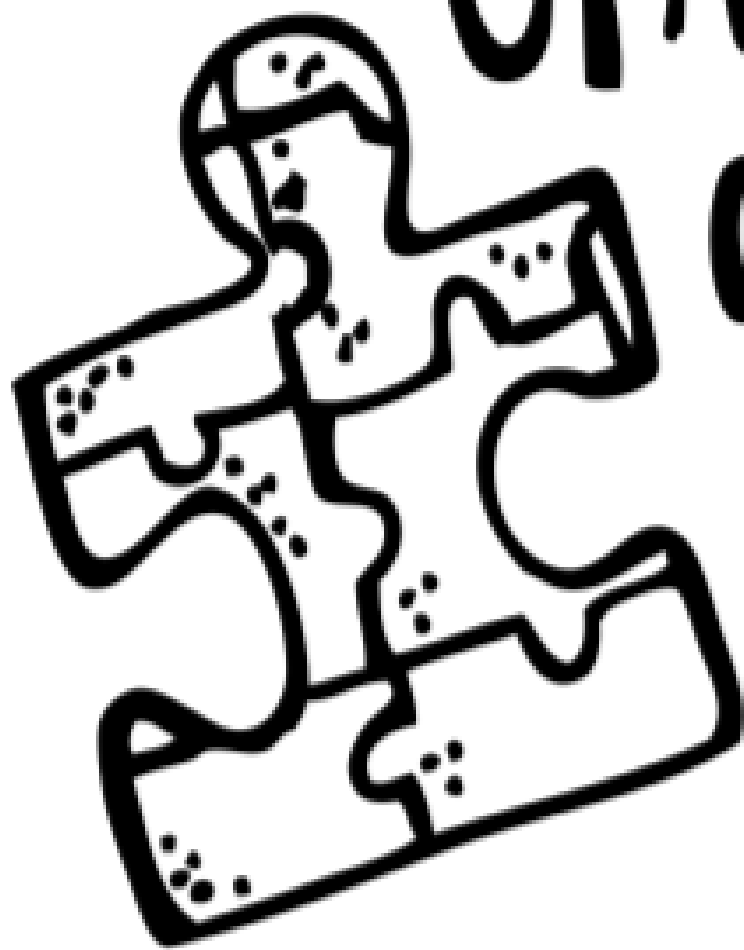

Here's how **YOU** can help spread awareness!

- Light it up blue at home by dressing up in blue, making meals blue (blue pancakes, cupcakes, eggs or waffles).
- Decorate a puzzle piece or any of the graphics included below.
- Decorate your window with blue pictures.
- Listen to the audiobook, "Uniquely Wired" with your family! This is a book about Autism https://youtu.be/IVCT_BRSrro.
- Poster challenge! Create a poster for autism awareness and take a picture with it!
- Parents, please send photos to your child's classroom teacher to be shared on school social media. Use the hashtag: #PEARLSlightsitupBLUE to share your photo.

**I can make a
difference by:**

Until all
of the
pieces
fit
