

Dear Parents and Students,

I am writing to let you know that I will be retiring at the end of this school year. So, I wanted to reach out to all of you to extend my appreciation and gratitude for getting the opportunity to teach your children. It has been a wonderful experience working with all of them, especially within a school culture such as PEARLS, that emphasizes inclusion, diversity, and respect for others. I wish all of you and your families continued success and happiness in the years to come.

God bless all of you!

Coach Carrozza
