Yonkers Instructional Technology FAQ's

i-Ready- To support student learning at home, parents can download the "i-Ready Connect for Students" app. Once students log in through Clever and click i-Ready, they will be seamlessly directed to the app.

No Class No Problem- Teachers who do not roster in our SIS- PowerSchool can have custom courses created. You just have to fill out THIS FORM. Turn around time is 24-48 hours.

HMH Science- Having selected the desired program, navigate to the unit you plan to teach. From there, select "Student Interactive Lessons." The Content button in the top left corner allows you to explore the unit.
