# Grade 4

## Mrs. Comizio & Mr. Florin

September 2019

Dear Parents and Guardians,

Welcome to another school year! I am enthusiastic and eager to begin working with your child. I am sure that this year will be a dynamic and rewarding educational experience for all involved. In order to ensure that your child is fully prepared for the challenges ahead, I am asking that your child be prepared for school with:

- \* 3 sharpened pencils **and a pencil sharpener**
- \* Pocket Dictionary (do not rely on the computer)
- \* Highlight markers for highlighting text (variety of colors)
- \* Dry erase markers for math activities
- \* A box of kleenex
- \* A Ruler (used for homework assignments among other things)

\* ***One Black and White Marbled Notebook*** – I cannot overemphasize the importance of having your child keep their notebook in good order. Your child's grades will be based in part on the work completed in the marbled notebook. All work, whether homework or class work, will be written by your child in the one marbled notebook. **Do not buy the spiral bound notebooks** as they merely fall apart after a short time and all record of your child's work is gone.

I would highly recommend that you label all your child's belongings. It is best if you use a permanent marker. I find that pencils are kept longest when they have your child's name written over their entire length.

I assign homework on a daily basis. Assistance should be given to your child when he or she has made an honest effort. If your child still is unable to understand the homework, have him/her seek help from the teacher. If the difficulty persists then this is a signal of a larger problem and we need to meet.

Your child will be sent home with three (3) emergency cards. **Please fill out all three (3) and return them with your child as soon as possible** as this information will enable the school to quickly reach you in case of an emergency. In addition to the three emergency cards, the office will be sending other important forms. All need to be completed to fully service and protect your child.

If you have any questions or concerns, please feel free to contact me. I will try to accommodate your schedule, but I would like to stress the importance of making appointments so I can provide you with a quality meeting.

Your child's teacher,  
Mr. Florin
