Word Challenge FREEBIE

REDUCE

REUSE

RECYCLE

By Robin Sellers

This packet contains the resources to play three word challenge games. You can play a word challenge game with the word REDUCE, REUSE, or RECYCLE.

For each game, cut out the letter cards for each word (reduce, reuse, recycle). Use just those letters to create as many words as you can. Then set the timer for about 10 to 15 minutes and see how many new words you can make using those letters. Write those words on the Word Challenge Word List.

This can be an individual activity, partner activity, group activity, or entire class activity. Have fun! Be sure to reuse this again next year.
