EARTH DAY SCAVENGER HUNT

Topic: Conservation

Activity: Find examples related to conservation.

Location: Outside and Inside

Materials

- 1 scavenger hunt page
- 1 camera or device with a camera (optional)

Prep

Print a copy of the scavenger hunt printable or pull it up on a mobile device.

Activity

This is a fun activity for student teams to look for examples of conservation-related concepts near your home. Depending on your environment, location, and climate, some of these items may be easier to find than others.

Introduce the challenge. Search for and photograph each item on the list. **No way to take photos? That's okay! Just write a description of each item you find!**
