### Noticing the Good

Lawrence Osasenaga Ikalekhue, a size 20 shoe wearer, received a remarkable donation of sneakers from two major sports icons: former New York Yankee and Met Curtis Granderson and New York Knicks star Karl-Anthony Towns.

Finding shoes for larger sizes can be challenging, but thanks to their generosity, Lawrence now has footwear that fits and supports his needs. This donation highlights the positive impact that athletes can have off the field, showing how they're committed to making a difference in their communities—one step at a time.
