

YONKERS PUBLIC SCHOOLS CRISIS STABILIZATION PROGRAM

The Crisis Stabilization Team utilizes a collaborative approach to re-integrating students into their school and community following acute mental health treatment (i.e. hospitalization, ER Visit, Crisis Prevention Response Team engagement, partial hospitalization). Referrals should be made within 4 weeks of discharge from acute mental health treatment and can be made by school staff, community providers, hospitals, or families. Contact the Crisis Stabilization Team Clinical Care Coordinator at (914)330-7961 to make a referral.

Yonkers Public School Crisis Stabilization Program

The **Yonkers Public School Crisis Stabilization Team** is proud to offer services to youth who are transitioning back to their school setting following inpatient hospital admission, partial hospitalization, room visit, or Crisis Prevention Response Team (CPRT) engagement. The **Crisis Stabilization Team** will provide re-integration and clinical coordination support to youth and their families. Youth must be enrolled at Scholastic Academy, School 23, School 9, Boyce Thompson, or Yonkers Middle/High School.

Referrals should be made within 4 weeks of discharge from acute mental health treatment and can be made by school staff, community providers, hospitals, or families. Contact the Crisis Stabilization Team Clinical Care Coordinator at (914)330-7961 to make a referral
