

June 2024

Dear Students and Families,

Welcome to Our Fabulous First Grade! We know that parents love to get their children ready for school before the first day, so to help with the preparation the following list contains the supplies needed.

Enjoy your summer vacation and continue to read, write, and study your math facts. Use IXL, i-Ready and Benchmark this summer! You can use the apps on Clever and we will be able to see your great practice!

Attached you will find a sight word list and math facts. Please practice these throughout the summer. Students entering first grade are expected to add and subtract within 5 fluently. You may be interested in purchasing Summer Bridge Activities K-1. This will help your child maintain skills during the summer.

We will use online programs such as IXL and Benchmark as part of our weekly homework for Math and Reading.

We look forward to meeting you in September!

Sincerely,

The First Grade Teachers
