

September 2024

Dear Parents/Guardians:

The beginning of the school year is such an exciting time! For teachers and students, it's a time for new friends, experiences, surroundings and challenges.

The first days of school are always exciting for me, and this year is no exception. We will spend the first days getting acquainted and familiar with each other as well as learning the classroom rules and routines. **My goal is to make your child's learning experience a truly positive one.** I believe that teachers and parents should work together to educate your/our children. In addition to the academic goals set by the curriculum, I hope to develop thinking skills, communication skills, self-confidence and a love for learning in all my students.

HOMEWORK: Homework will be given out Monday-Thursday; All homework will be computer based. There will be no homework on Fridays.

FORMS: Please fill out and return any forms sent home as soon as possible, especially the three emergency cards and the lunch forms.

ABSENCE: If your child is absent please send in a note explaining why your child is absent. If your child is absent 3 or more days please call the school.

BUS: Please send an email to the office if your child will not be taking the bus or van.

SNACK: Please send your child with a snack every day. **ABSOLUTELY NO JUICE, SODA or CANDY IS ALLOWED AT ANY TIME OF THE DAY.** Only water is allowed in the classroom.

Our classroom is going to be an exciting place!

I am delighted to have your child in my class. If you have any questions or concerns please call me at school and I will return your call as soon as possible.

Sincerely,

Mrs. Datario

Mrs. Dadario
